*Judged by Julian Hall of Mole Valley Feed Solutions competition sponsors, his comments are included...*

Champion KEDAR BROWN SWISS

*Good depth of field with a sharp subject. The reflection draws you to the subject which makes it eye catching. A very well constructed photograph.*

Reserve BECKY WALTERS

*Fantastic depth of field with sharp foreground and subject. The pretty landscape captured in the background enhances this photograph. Good opportunity captured.*

HM KEDAR BROWN SWISS

*A good sharp picture in a lovely location. Would like to see a little more foreground as the subject comes out of the picture too much and inhibits the scenery.*
